Hi Marganne - thanks for the message. I figured you were busy like everyone else with the end of summer. Then I realized there was also a Board of Forestry meeting next Wednesday.

It would be great to talk with you. Unfortunately, I'm just working until 11:30AM today, but maybe we can connect next week some time when you're free. Thanks for the message - Jenny

Hi Jenny. I'm not ignoring you! I've barely had time to eat let alone catch up on phone calls. How is your schedule looking for discussing your questions tomorrow (Friday) between 1-2pm?
